# Our offer – Training

## The 10-20-70 approach

# Our offer – Advising

A team of legal experts is happy to answer your digital law questions that you could not answer with the help of the Knowledge Base.

**Simple questions:  
Helpdesk**

Simple questions will be answered directly via **e-mail** or, during the opening hours of the helpdesk, via **telephone** or **online chat**.

**Complex questions:**

For more complex and time consuming questions, our experts will provide you with an appropriate cost estimation.

# Stustainability model

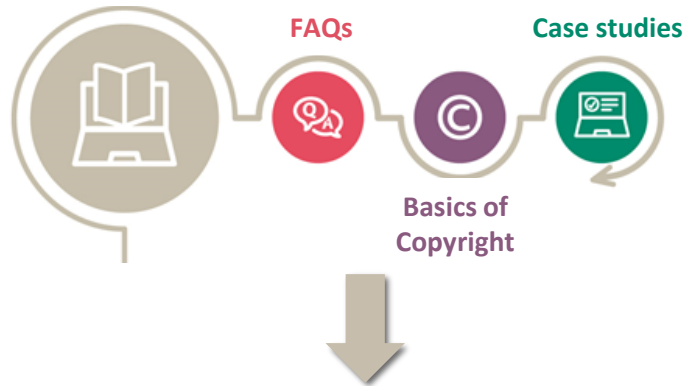

---

## FIXED REGISTRATION FEE FOR SWISS HEIs

- **The annual registration fee is fixed, and is based on the services that are offered / included in the fee.**
- **The more institutions register** to the Center, **the higher is the value** for each institution, because all institutions can benefit from the questions and issues risen by others: the knowledge that is generated by the advising requests is fed back into the Knowledge Base, so to make it available to all affiliated HEIs.

# Registration - Advantages
